The Rev. Canon Dr. Mark A. Pearson

The Rev. Canon Dr. Mark A. Pearson

Mark Pearson brings an impressive array of academic credentials and broad-based experience to his role as President of Institute for Christian Renewal and as a leader of teaching and healing conferences world wide. He co-founded the Institute for Christian Renewal in 1980 as a way of helping to bring a balanced spiritual renewal to churches and individuals. In 2002-3 the World Council of Churches invited Canon Mark to be one of 26 international participants in two Consultations on the Ministry of Healing held in Ghana and in Chile

Active in the Church's healing ministry for many years, he regularly leads healing services, trains healing teams, has served as a Regional Warden for the Order of St. Luke, an interdenominational healing ministry. Canon Pearson is qualified to administer the Myers-Briggs Type Indicator through the Association of Psychological Types, and uses this tool in counseling, team-building, and parish

consultations. He has also taught at numerous seminaries and colleges of theology and has been recognized for his international work in healing and renewal. He and his wife, Dr. Mary Grace Pearson, have developed a whole-person healing center called New Creation Healing Center. It combines medicine, Christian counseling, and prayer to minister to people in body, soul, and spirit.

He is the author of several books; the first published in 1990, *Christian Healing, A Practical, Comprehensive Guide*. A third edition was published in 2004. Other books include *Why Can't I Be Me?: Healing for Wounded Personalities*, *The Basics of the Faith*, and *Boot Camp for Christians*.

A gifted organist and pianist, Canon Pearson has given recitals and led music for conferences in the United States and England. He has been, additionally, a talk-show host on Boston's WEZE radio station and has appeared as a guest on numerous radio and television talk shows. Canon Pearson also works with the Hollywood media through his board membership with The Christian Film and Television Commission.

He loves basset hounds. His hobbies include fire departments, gardening, writing music, trains and subway systems and watching baseball, especially his beloved Boston Red Sox.
